Reaching out to raise awareness  
for our sisters in Tanzania

SUNDAY 24 JANUARY @ 3PM • MITCHAM, MELBOURNE

Support the Masai women in Tanzania by joining us for a fun girls afternoon and getting your hands into some Jamberry Nail Wraps – the non toxic alternative to nail polish – no chips or dry time, long-lasting and waterproof! With over 300 designs, Jamberry has your fingers and toes covered.

A percentage of sales from our HANDS UP campaign will go directly towards Testigo's projects.

RSVP by 18 January to [info@testigoafrica.org](mailto:info@testigoafrica.org) – venue details will be provided after RSVP.

**CAN'T MAKE IT?** You can still support our fundraiser until 18 February by purchasing Jamberry products online at <https://allispoor.jamberry.com> and select **HANDS UP** for Testigo as your attending party.
